

Simple, Versatile, Compliant.

The VersaClenz All-In-One Hand Hygiene System

UNE
INC.

UNITED NETWORKING ENTERPRISES
ENVIRONMENTAL CARE MANAGEMENT

It took a lot of hard work to design something this easy to use.

Our goal was simple: design a hand hygiene system that was versatile, compliant and easy to use. Our VersaClenz Hand Hygiene System is all that and more. At the center of our system is the VersaClenz dispenser – a sturdy and reliable workhorse available as a touchless or manual. It puts compliance in the palm of your hand.

ADA Compliant

Universal cartridge holds up to 1250 mL of soap, sanitizer, gel, foam, liquid or lotion.

Soft cartridge optimizes evacuation and minimizes product waste.

Removable actuating mechanism assembly.

Up to 100,000 applications and 9 months to 1 year on 4 D-Cell batteries - included.

Durable construction suitable for high traffic areas. Case is splash-resistant and easy to clean.

VersaClenz Touchless
AD10048B (Black)
AD10048 (White)

VersaClenz Manual
MD10030 (White)
AD10030B (Black)

Removable security key for controlled access

Permanent key for unrestricted access

Available Options:

- Catch Tray JPP10088
- Portable Floor Stand KTS1003

Sprays, Foams, Liquids, Gels, Lotions, Soaps and Sanitizers...

The VersaClenz All-In-One Hand Hygiene System Has You Covered.

It's just that simple. One dispenser gives you access to our entire line of VersaClenz compatible products. So no matter what industry you're in, we've got a solution to meet your demanding requirements. Need a mild hand soap and sanitizer solution for your office and restrooms? We've got it. Need an industrial cleanser and sanitizer for tough environments? We've got that too. We've taken a comprehensive approach to ensure that you find the hand hygiene solution that's right for you... before, during and after work.
